### Immunization Policy

Hepatitis B is the most important infectious occupational disease for health care workers. The high risk of being infected is the consequence of the prevalence of virus carriers in the assisted population, the high frequency of exposure to blood and other body fluids and the high contagiousness of hepatitis B virus (HBV). Vaccination is able to prevent the most threatening consequences of the infection (acute disease and chronic carriage) in responders, even after loss of detectable antibodies. Therefore, immunization against Hepatitis B forms an indispensable part of the infection control.

Seema Dental College and Hospital, Rishikesh makes every effort to be a model health promoting campus and to hold up the health of the students and the people in the community with whom they come in contact.

All UG & PG students who enroll in this institution undertake clinical care in the institution, must comply with the pre and post immunization requisite requirements.

#### Immunization Requirements:

- Medical History Form, which includes an immunization history, shall be given to all new students and must be completed and returned to the Student Section Office prior to the student's initial registration.
- The student's vaccination registers are maintained once vaccination is given.
- Students or staff who fails to produce the proof of immunization are asked to submit their antibody titre report. Students are vaccinated in the first year itself.

This policy shall apply to all clinical staff, for example teaching and non-teaching staff, faculty, undergraduate and post graduate students.

#### Suggested Routine administration schedule for hepatitis B vaccine in adults

- The dosing schedule is 0, 1 to 2 months and 4 to 6 months
- There is some flexibility in the schedule, but be sure to keep in mind the minimum intervals between doses:
  - At least four weeks between doses #1 and #2
  - At least eight weeks between doses #2 and #3
  - At least 16 weeks between doses #1 and #3

  
Dr. P. Narayana Prasad  
Principal

**SEEMA DENTAL COLLEGE & HOSPITAL**  
VEERBHADRA ROAD, RISHIKESH-248203

SDCH/PQ/2024/6428

Date: 13.03.2024

**Notice**

To,  
All BDS & MDS First Year students  
(Batch 2023)

Hepatitis B is potentially life-threatening infection caused by HBV Virus. It spread through contact with blood, semen or other body fluids from an infected person.

Seema Dental College and Hospital, Rishikesh, is celebrating World Hepatitis Week from 13.03.2024-16.03.2024. In this view, Hepatitis B Vaccination Program is being scheduled as per the details given below.

◆ Date & Day	:	13.03.2024, Wednesday
BDS 1 <sup>st</sup> Year Students	:	
Roll No. 1-47	:	02:30 PM-04:00 PM Noon
◆ Date & Day	:	14.03.2024, Thursday
BDS 1 <sup>st</sup> Year Students	:	
Roll No. 48-95	:	02:30 PM-04:00 PM Noon
◆ Date & Day	:	15.03.2024, Friday
MDS 1 <sup>st</sup> year Students	:	
Orthodontics, Periodontics, Pedo.	:	02:30 PM-04:00 PM Noon
◆ Date & Day	:	16.03.2024, Saturday
MDS 1 <sup>st</sup> year Students	:	
OMR, Cons. & Endo, Prostho	:	11:00 AM-12:00 Noon
◆ Venue	:	Oral & Maxillofacial Surgery Department, Fourth Floor

It is compulsory for all the first year Post Graduate & BDS students to get their Hepatitis B vaccination done and those who have got vaccinated earlier, need to submit their certificate on the same day.

Program coordinators will be Dr. Amit Agarwal, Professor & Head, Department of Oral Surgery, Dr. R. Muthunagai, Professor, Department of Oral Surgery & Dr. Aditya Sharma, Lecturer, Department of Periodontics.

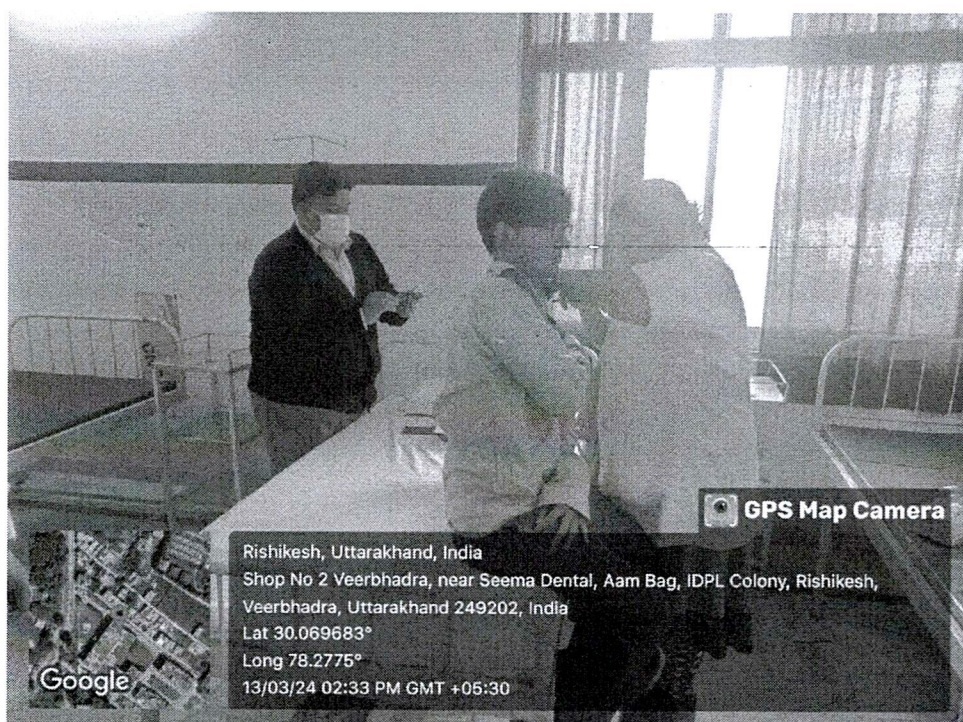

Sister Sajni Sebastian and Sister Savitri Sharma will administer the Hepatitis B vaccine doses on the above dates under the supervision of Dr. Mirjekar Seetadevi Anant, Medical Officer, Department of General Medicine.
