2. MCQs shall be included in internal theory examination, with the weightage of 4 marks in Part A and 4 marks in Part B.
3. The Academic Council also reviewed the feedback analysis and has recommended actions to be taken by the Head of Institution.

Note- The feedback analysis report and recommended actions to be taken are attached in the annexure 1.

## ANNEXURE 1

### FEEDBACK ANALYSIS OF STAKEHOLDER & ACTION TAKEN REPORT

Student feedback, analysis and action taken report:

BDS:

**2023-**

The feedback from students for 2024 indicates a generally positive perception of the BDS curriculum and teaching methods across different years of study. The majority of respondents were BDS I Year students (28.2%), followed by BDS IV Year (25.4%), BDS III Year (18.0%), BDS II Year (16.9%), and Interns (11.6%). Most students agreed or strongly agreed that the goals and objectives of the curriculum were clear (84.9%), the workload was manageable (64.4%), and the curriculum was well-organized (78.2%). Satisfaction with attendance was reported by 80.9%, and 91.5% felt they participated actively in classes. A significant number believed they made good progress (74.3%) and found the learning environment and teaching methods excellent (71.5%). The subjects were well-structured (79.9%), and teaching methods encouraged active participation (77.1%). The learning materials and resources were considered relevant and adequate by 84.1% and the course stimulated interest in the subject area (84.2%). Teaching was timely and appropriate (81.0%), ideas were clearly presented (80.0%), and assessments were deemed reasonable and robust (79.6%) with timely results (85.2%). Faculty responsiveness was rated positively (80.6%), and their regularity was affirmed by 88.0% of students.

Necessary actions were also taken for students who disagreed or strongly disagreed or were uncertain in the feedback analysis as below:

Sr. No.	SUGGESTIONS- FEEDBACK	ACTION TAKEN
1.	The goals and objectives of the BDS/MDS were clear	<ul style="list-style-type: none"> <li>Orientation seminars and career oriented programmes were organised for the students in BDS I year itself</li> </ul>
2.	The workload of the BDS curriculum was manageable	<ul style="list-style-type: none"> <li>The faculty mentors have been instructed by the principal to take care of their mentees (students) to solve their academic problems so that their academic stress can be reduced to manage the workload of BDS curriculum. Especially the BDS IV year students are given extra posting to complete their clinical quota work.</li> </ul>
3.	The BDS curriculum was well organised (e.g. timely access to materials, notification of changes, etc.)	<ul style="list-style-type: none"> <li>Notification system to be strengthened at level of students to increase their access of information</li> <li>Notices should contain anti-ragging posters</li> <li>Emergency contact numbers and fire contact numbers should be displayed. First aid box should be available all the time.</li> </ul>
4.	You are satisfied with your own attendance during the course of study	<ul style="list-style-type: none"> <li>LMS software is being used to record daily attendance of students which is being delivered to their parents on a daily basis.</li> <li>Feedback mechanism between parents and institution should be enhanced</li> </ul>

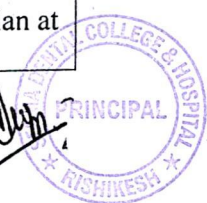

5.	I participated actively in the theory classes and practicals/clinics	<ul style="list-style-type: none"> <li>Students were asked the reason for not actively attending classes and practicals/clinics and were counselled for the same.</li> <li>Students mentors were contacted to discuss the mentees problems and were asked to sort.</li> <li>Remedial classes, Extra-classes, Group discussions, projects and additional activities were arranged for them</li> </ul>
6.	I think I have made good progress in BDS course	<ul style="list-style-type: none"> <li>Slow learners were identified from all batches and remedial classes, extra-classes, group discussions, projects and additional activities were arranged for them.</li> <li>Periodic tests were also conducted timely to assess the performance of graduates</li> <li>Clinical end- posting vivas are also conducted for the students for their assessment</li> </ul>
7.	The learning environment and teaching methods are excellent in the institution	<ul style="list-style-type: none"> <li>Students will be asked about teaching methods which they want to incorporate by conduct of CR meeting of respective batches</li> <li>Students will be engaged in interesting learning methods through conducting quizzes, pedagogy competitions, debate competitions, poster and paper competitions, etc.</li> </ul>
8.	I think the subjects were well structured to achieve the learning outcomes (there was a good balance of lectures, tutorials, practical etc.)	<ul style="list-style-type: none"> <li>Lesson plans have been introduced at the beginning of academic year itself keeping in mind not to make it monotonous by keeping a good balance between lectures and practicals/clinics and also a good balance between medical and dental subjects</li> </ul>
9.	The learning and teaching methods encouraged the active participation in theory classes and practicals/clinics	<ul style="list-style-type: none"> <li>Students will be engaged in interesting learning methods through conducting quizzes, pedagogy competitions, debate competitions, poster and paper competitions, seminars, etc.</li> <li>Students will also be engaged through additional academic activities like CDEs, Hands-on workshops, value-added courses, add-on courses, etc</li> </ul>
10.	The overall environment in the classroom and practicals/clinics was conducive for learning the subject.	<ul style="list-style-type: none"> <li>Faculty feedback will be taken from students</li> <li>Faculties will be motivated for innovating the lectures and will also be motivated to keep changing their lecture styles and take interactive lectures</li> </ul>
11.	Learning materials (Lesson Plans, Subject Notes, PPT material, etc.) were relevant and useful	<ul style="list-style-type: none"> <li>LMS software has already been launched in college which will provide all kinds of learning materials for students</li> <li>Annual/Biannual preparation of lesson plan at the start of academic year</li> </ul>
12.	Recommended reading books, journals, etc. were relevant and appropriate	<ul style="list-style-type: none"> <li>Students are motivated to visit library which has many reference books</li> <li>Besides library, KOHA software has also been introduced for students which provides e-content to students 24*7</li> </ul>

The bottom of the page contains several handwritten signatures in black ink, including names like 'Anurag', 'Nagendra', 'Sree', 'Anurag', 'Sree', and 'Anurag'. There is also a purple circular stamp on the right side that reads 'DENTAL COLLEGE & HOSPITAL', 'PRINCIPAL', and 'RISHIKESH'.

13.	The provision of learning resources in the library was adequate and appropriate	<ul style="list-style-type: none"> <li>Besides the main books, library provides many reference books for all the subjects for students</li> <li>KOHA software has also been introduced for students which provides e-content to students 24*7</li> <li>Library timings are also increased which is 8.00 am to 10.00 pm for all students, both residing outside and inside the college campus</li> </ul>
14.	The BDS/MDS course stimulated my interest and thought on the concerned subject area	<ul style="list-style-type: none"> <li>Students will be engaged through additional academic activities like CDEs, Hands-on workshops, value-added courses, add-on courses, etc</li> </ul>
15.	The time bound teaching in BDS/MDS course was appropriate	<ul style="list-style-type: none"> <li>Additional classes for students are being organised like group discussions, remedial classes, projects, personal interactions with students, etc.</li> </ul>
16.	Ideas and concepts were presented clearly in classroom and practicals/clinics	<ul style="list-style-type: none"> <li>Faculties were motivated to use ICT enabled tools to make learning not just interesting but also clear understanding for students Example – Use of LCD screens in labs for demonstration to avoid hassle and permit clear understanding for students</li> <li>Doubt sessions will also be organised for students</li> </ul>
17.	The methods of assessment/ internal assessment examination was reasonable and robust	<ul style="list-style-type: none"> <li>Incorporated OSCE, Periodic test, question solving sessions for students</li> </ul>
18.	The results of assessment/ internal assessment examination were declared timely	<ul style="list-style-type: none"> <li>Results are declared within 7 days of finishing of practical exams</li> <li>Answer copies are shown to students timely and those who are absent will be allotted time for the same</li> </ul>
19.	Feedback of concerned faculty on your performance in assessment/internal assessment examination was timely and helpful	<ul style="list-style-type: none"> <li>Timely meetings of mentor-mentee have been planned and reports are maintained.</li> </ul>
20.	I understood the lectures and demonstrations	<ul style="list-style-type: none"> <li>Faculties were motivated to use ICT enabled tools to make learning not just interesting but also allow clear understanding for students Example – Use of LCD screens in labs for demonstration to avoid hassle and permit clear understanding for students</li> <li>Doubt sessions will also be organised for students</li> <li>Additional classes for students are being organised like group discussions, remedial classes, projects, personal interactions with students, etc.</li> </ul>
21.	The teaching material was well organised and presented	<ul style="list-style-type: none"> <li>Students are motivated to use LMS software which will provide teaching material</li> <li>Annual/Biannual preparation of lesson plan at the start of academic year</li> </ul>

22.	The faculty were responsive to student's academic needs and problems	<ul style="list-style-type: none"> <li>Faculty mentors were instructed to discuss the mentees (students) problems and were asked to solve their academic problems.</li> <li>Timely meetings of mentor-mentee have been planned and reports are maintained.</li> <li>Additional classes for students are being organised like personal interactions with students, group discussions, remedial classes, etc. pertaining to each student's academic needs</li> </ul>
23.	Had the faculty been regular throughout the classes?	<ul style="list-style-type: none"> <li>Faculty record is maintained for individual lectures/labs</li> </ul>

Overall, the feedback highlights a strong endorsement of the BDS program's structure, teaching quality, and faculty engagement.

#### MDS:

The post-graduate student feedback analysis, based on responses from 60 students, shows that 19 (31.7%) are in MDS I Year, 23 (38.3%) in MDS II Year, and 18 (30.0%) in MDS III Year. Key feedback includes that 44 students (73.3%) agreed and 12 (20.0%) strongly agreed that the goals and objectives of the MDS curriculum were clear.
