Activity Report: Seema Dental College and Hospital organised an Online Orientation Programme on "Career Options In Dentistry & Road Map To Your American Dental Career" on 8th July 2021, exclusively organised for all Seemaites.

The programme was initiated with Saraswati Vandana. Dr Himanshu Aeran, Director Principal, SDCH welcomed the International guest speaker & all the participants and provided a brief introduction on the importance of the orientation programme on career guidance after dentistry. Dr Himanshu Aeran, Director Principal & Head, Dept. of Prosthodontics & Implantology, SDCH was the first speaker of the day & covered the detailed aspects of "Career Options in Dentistry – India & Abroad". Dr. Davis Thomas BDS, DDS, MSD, MSc Med, MSc, Clinical Assistant Professor, Division of Orofacial Pain, Rutgers University Dental School, New Jersey, USA & Founder Director American Dental Dreams was the Invited Guest speaker. His lecture titled "US Dental Admissions & INBDE Mentorship" focussed on the pathway of an Indian dentist to reach a successful Dental career in America, emphasising the role and importance of a mentor. He also elaborated the various career options available for an overseas dentist in the United states. He concluded his lecture with few testimonials by his mentees who have joined masters programme in USA through his guidance and mentorship. The program was streamed online on Zoom platform, attended by around 300 participants including faculty, post graduate and under graduate students of SDCH and ex-seemaites from all over India. The program was very informative and all participants had an excellent insight by well covered orientation on Career options in Dentistry in India, America and other abroad countries by eminent speakers. Dr. S. Karpagavalli, Professor & Head, Dept of Oral Medicine and Radiology, SDCH was the master of ceremony.

**Objectives:** The administration is made up of medical and health services managers and assistant administrators. Administrations range in size and duties of the administrator depends on the size of the administration. In the present scenario it is one of the most searched career option by all the dental graduates particularly BDS & Interns. Number of students opting for MBA in hospital management or other courses after BDS is increasing constantly. On the same line of thought college is conducting such programs to broaden the vision of BDS graduates. So, that they should have vision about the various fields to be opt after doing BDS. Lecture conducted by Dr. Suresh Kumar Assistant Professor International Institute of Health Management Research, New Delhi.

**Expected Outcomes:** To create awareness about the new different alternative avenues available as career options after BDS such as MBA in hospital management etc. and how to apply for such courses along with the course fees, institutions where such courses are available, requirements etc.

**Outcomes Achieved:** The students were quite inquisitive about the financial viability of the alternate courses discussed and the expected returns after completion of such courses. The speaker actively explained and cleared their doubts regarding the same. He also elaborated the career options of the courses after BDS and everyone found the session quite interesting and informative.
